

Product data sheet

Solar power bank 20,000 mAh

Product number: 3389903

Our powerful Solar Power Bank with an innovative design and numerous features! This power bank features four foldable solar panels for optimal energy supply and offers a capacity of 20,000mAh at a power output of 5V/5W. Additionally, it includes C-type USB, Micro-USB, and iOS charging cables, as well as a wireless charging function. Product Highlights: 20,000mAh Capacity: The generous capacity allows for multiple charges of your devices, ensuring you always have enough power available. Four Foldable Solar Panels: The solar panels provide an efficient way to charge the power bank using solar energy, ideal for on-the-go, camping, or emergencies. 5V/5W Power Output: The powerful power bank supplies your devices with energy quickly and reliably. Includes C-type USB, Micro-USB, and iOS Charging Cables: Versatile connection options for various devices to meet your needs optimally. Wireless Charging Function: Utilize the wireless charging function for compatible devices and experience a convenient charging experience. Print option: Your logo will be printed on the front of the power bank, ensuring your brand is always visible.

Additional information

General

Product length	170 mm
Product width	90 mm
Product height	38 mm
Material	Plastic
Weight	0.75 kg
capacity mAh	20000
Country of origin	China
Customs tariff number	85017100000

Print

Finishing types	Screen printing
Printgroup 1	Screen printing (S1)
Name 1 print area 1	On tOp
Possible colors printgroup 1	1
Print area 1 width	100 mm
Print area 1 height	30 mm

Packaging

Type of packaging	Carton
Quantity bulk packaging	20
Quantity small packaging	20
