

Product data sheet

Headset with sorroundsound

Product number: 3231603

Our stereo sound headset provides an impressive listening experience, complemented by a noise-canceling microphone that effectively filters out disruptive background noise. With a convenient volume control and noise-canceling technology, ambient sounds are minimized, allowing you to have clear conversations or enjoy your music without disruptions. Your logo will be printed on one of the ear cups, adding a personalized touch to the headset.

Product Highlights:

- Stereo Sound:** The headset offers impressive stereo sound for an immersive listening experience.
- Noise-Canceling Microphone:** The microphone filters out disruptive background noise to ensure clear communication.
- Noise-Canceling:** Noise-canceling technology minimizes ambient noise, allowing you to work or listen to music undisturbed.
- Volume Control:** The convenient volume control allows for easy adjustment of audio settings.
- Print option:** Your logo will be printed on one of the ear cups to personalize the headset and showcase your brand.
