Metal USB stick with carabiner - 4GB

Product number: 2248207

Our metal USB flash drive with a convenient carabiner combines functionality and mobility to keep your data close at hand. This USB flash drive provides ample storage space for important files and documents and features a smooth metal surface on which your logo will be engraved. Please note that gem charges of €0.24 per item apply for deliveries within Germany. Product Highlights: High-quality metal: the USB flash drive is made of sturdy metal, which ensures a long life and an attractive look. Carabiner Hook: The integrated carabiner hook allows you to attach the USB flash drive to your keychain, bag or belt so you always have your data at hand. Print option: Your logo is engraved on the metal face of the USB flash drive for a custom touch and brand presence. Ample Storage: This USB flash drive offers enough storage space to safely store and carry important files, presentations, photos and videos.
