COB lamp

Product number: 9117308

Our 10-Watt COB construction or work lamp is the ideal tool for professionals and DIY enthusiasts. This lamp is highly powerful and versatile. **Product Highlights:** **10-Watt Power:** With a power output of 10 watts, this lamp generates bright and uniform light, making it ideal for construction work, repairs, camping trips, and various other activities. **Three Light Functions:** The lamp features three different light functions. The steady light function provides a constant, bright illumination. The SOS light signal can be used in emergencies to attract attention. The blinking light is useful for situations where visibility is crucial. **Foldable Handle:** The foldable handle allows you to conveniently carry the lamp or hang it in different locations to ensure optimal lighting. **Durable and Sturdy:** Made from high-quality plastic, this lamp is durable and sturdy, capable of withstanding the demands of construction sites and other challenging environments. **Print option:** We offer the option to print your logo on the panel above the light. This allows you to personalize the lamp while effectively showcasing your brand.
