## Cooling / warming pad

Product number: 7077305

Our heart-shaped cooling and heating pad made of PVC is not only a practical product but also a heartfelt gesture that positively presents your brand. This versatile pad can be cooled or warmed to relieve pain or simply to relax. Please note that due to the flexible material, only a single-color print in black or white is possible.

**Product Highlights:**Heart-shaped Design: The heart-shaped design makes this pad a loving and appealing gift that comes from the heart.Versatile Use: Use it as needed as a cooling or heating pad to alleviate pain, muscle tension, or stress.Easy Application: Place the pad in the freezer or refrigerator to cool or heat it in the microwave for therapeutic warmth.High-Quality PVC Material: The pad is made of durable PVC, easy to clean, and retains its shape even after frequent use.Print option: We offer the option to place your logo in a single-color print in black or white in the center of the pad to highlight your brand.
